

On **December 8th**, at **15:00**

Join the frontline small-scale fishing communities' public meeting on the false climate solutions and their real solutions!

Simultaneous interpretation to English, Spanish, and French will be available

In the **Atelier du Bas** of the Climate Action Zone

located at Centquatre, 5 Rue Curial, Metro line 7 Riquet stop

BLUE CARBON: OCEAN GRABBING IN DISGUISE?

**Without fisher peoples' control of land and water,
there will be no climate justice**

Thank you for registering at ocean.grabbing@gmail.com
